FACULTY OF INFORMATION TECHNOLOGYAND SCIENCE
Bachelor of Information Technology and Science in Computer Multimedia Design (BIT-CMD)
National Program (Batch VI, 1st Intake)
LIST OF SUPERVISORS AND SUPERVISEES

№	ID	NAME IN LATIN	SEX	RESEARCH TOPIC AND QUESTIONS	GROUP	SUPERVISOR	OTHERS
1	56631	ART LINA	F	**The Role of AI Tools in Graphic Design Creative Process of Social Media** 1. What roles do AI tools play in the graphic design creative process for social media content? 2. Why do graphic designers use AI tools when creating designs for social media platforms? 3. Who uses AI tools the most in social media graphic design (students, freelancers, or agencies)?	1	**Mr. KROENG VANNAK** **Tel: 077 325 589**	
2	56597	CHANG EKSOKTEP	M	**AI Assistance in Clean and Relaxing Graphic Design Helpful or Harmful** 1. How does AI assistance influence creativity in relaxing graphic design? 2. How does AI affect collaboration between students in design projects? 3. What mistakes commonly happen when using AI in relaxing designs?			
3	55218	CHIM SOVATHANA	M	**Impact of AI-Generated Content on Digital Media Consumption** 1. How does Al-generated or Al-assisted content affect trust and credibility in online news among audiences? 2. How do Al tools (translation, summarisation, and text-to-speech) change digital news consumption habits and engagement in digital media? 3. How is Al-generated content transforming multimedia storytelling in digital media?			
4	56481	CHUON KHEVIN	M	**The Importance of Graphic Design in Film Promotion on Social Media** 1. Why is graphic design important in promoting films on social media platforms? 2. What design elements make film promotions more attractive online? 3. What graphic design elements (color, typography, layout, motion) are most effective in film promotion?			
5	55730	HEAB SINHHOUR	M	**Enhancing Education through Design at BELTEI International University** 1. How can innovative design strategies improve the learning experience for students at Beltei International University? 2. What role does visual and creative design play in strengthening academic communication and student engagement at Beltei International University? 3. In what ways can design contribute to promoting the identity and educational values of Beltei International University?			

6	56862	HEANG SETHY	M	**The Effect of Color Psychology in Digital Advertising** 1. What types of colors are most commonly used in digital advertising? 2. How do different colors influence users' emotions and attention in digital advertisements? 3. Why does color choice affect users' engagement and purchase intention in digital advertising?	1	**Mr. KROENG VANNAK** **Tel: 077 325 594**	
7	56696	HOEURN KONGKEA	M	**Using Adobe Photoshop for Social Media Advertising at BELTEI International University** 1. What is the main purpose of this social media poster for BELTEI International University? 2. Who is the target audience (students, parents, international students, or partners)? 3. Which social media platform is the poster designed for (Facebook, Instagram, Telegram, etc.)?			
8	56253	HUCH SOVANNRENGSEY	M	**The Role of Artificial Intelligence (AI) in Enhancing Poster Design Creativity** 1. How does artificial intelligence enhance creativity in poster design? 2. Why can artificial intelligence not fully replace poster designers in the future? 3. Why is artificial intelligence important for modern poster designers' creative workflow?			
9	56151	HURN PHEARAK	M	**The Impact of Social Media on the Behavior and Awareness of Youth** 1. How often do youth use social media, and which platforms do they use most? 2. How does social media affect the behavior of youth in their daily life? 3. How does social media influence the awareness and understanding of youth?			
10	56476	IN NOVO	M	**The step in beautiful graphic design and design product packaging Coffee Bean** 1. What are the essential skills for a graphic designer? 2. What are the basic steps in a graphic design project? 3. How can a graphic designer make a coffee bean package look "premium" and "authentic"?			
11	56743	KIM NARITH	M	**The Impact of AI Tools on Modern Graphic Design Workflows** 1. How do AI tools impact a designer's workflow, creativity, and efficiency, and what are their pros and cons? 2. What steps should a beginner take to use AI for layouts, colors, images, and typography while keeping strong design skills? 3. What challenges do designers face in staying original and competitive as AI-generated visuals become common?			
12	56691	KONG PHING	M	**Skills and Practices Needed to Become a Professional Graphic Designer** 1. What basic skills are needed to become a professional graphic designer? 2. How do daily design practices help improve a graphic designer's professionalism? 3. How does learning and using design software help designers succeed in their careers?	2	**Mr. SIN CHANRITHY** **Tel: 096 326 4326**	
13	56320	LEAB MENGLY	M	**Professional Growth of Photographers Through Skill Development and Digital Innovation** 1. What challenges do photographers face in adopting new digital innovations? 2. Why is skill development essential for photographers in the digital era? 3.When do photographers need to upgrade their skills to remain competitive in the industry?			

14	56445	LORN SREYNOR	F	**AI-Generated Art in Commercial Media** 1. Can AI-generated art replace traditional designers, or does it mainly support them? 2. How do audiences perceive AI-generated visuals in advertising and branding? 3. How will AI influence the future of creative and design industries?	2	**Mr. SIN CHANRITHY Tel: 096 326 4334**	
15	56634	MEAN SREYDAV	F	**Short-Form Video Content and Audience Attention Span** 1. Why are short videos more effective today? 2. What editing styles keep viewers watching? 3. How does pacing affect viewer retention?			
16	58401	MEOUN BUNDITHOUDOM	M	**The future of 2D animation in the age of 3D and AI** 1. What skills will future 2D animators need to stay relevant in an AI-driven industry? 2. How will AI tools change the role of human 2D animators in the future? 3. What challenges do 2D animators face with the rise of AI technology?			
17	56636	NANG THIDA	F	**The Impact of Visual Branding on Small Business Recognition** 1. How does visual identity influence customer trust? 2. Which design elements make a brand more memorable? 3. Do small businesses benefit from professional branding?			
18	56375	NGUON VISAL	M	**Graphic Design Strategies for Social Media Engagement** 1.How design style affects likes, shares, and comments? 2. What visual styles attract more interaction? 3. Does consistency in design improve brand identity?			
19	56686	PANG RITHY	M	**Minimalist Design Trends in Modern Advertising** 1. Why do audiences respond well to minimal design? 2. Does minimalism improve message clarity? 3. How does it affect engagement on social media?			
20	56633	PHEAP MEYMEY	F	**The Role of Color Psychology in Advertising Design** 1. Which colors attract attention the most? 2. How do colors affect brand perception? 3. Are color choices different across industries?			
21	56480	PHORK MAKARA	M	**UX/UI Design Making Technology User-Friendly** 1. What is the difference between how a product looks (UI) and how it feels to use (UX)? 2. How does user feedback help designers improve mobile applications? 3. Why is "accessibility" (designing for people with disabilities) a crucial skill for modern tech designers?			
22	55794	RIM NIN	M	**Minimalist Design Trends in Modern Advertising** 1. Why do audiences respond well to minimal design? 2. Does minimalism improve message clarity? 3. How does it affect engagement on social media?			
23	56514	RIN DAVY	F	**The Benefit of Students Using the Digital in Phnom Penh** 1. What are the specific academic and personal benefits experienced by students in Phnom Penh using digital technology? 2. How do factors like internet access, digital literacy, and socioeconomic status influence these benefits? 3. What strategies can educational institutions and policymakers implement to maximize the positive impact of digital technology for all students?	3	**Mr. KHATH YOEUN Tel: 098 682 186**	

24	57365	SAN POKY	M	**Social Media as a Catalyst for Digital Commerce Among Students in Phnom Penh** 1. How do the characteristics of social media content (e.g., interactivity, information quality, e-WOM) influence the purchase intentions of students in Phnom Penh? 2. What is the role of brand awareness and trust in mediating the relationship between social media usage and digital commerce engagement among Phnom Penh students? 3. Which social media platforms (e.g., Facebook, Instagram, TikTok) are the most effective catalysts for digital commerce in this demographic?	3	**Mr. KHATH YOEUN** **Tel: 098 682 186**	
25	57519	SAN SDOKSDOM	M	**Creative Poster Design Strategies Using Adobe Photoshop for Effective Cosmetic Marketing on Facebook in Phnom Penh** 1. Which specific Photoshop techniques (e.g., color correction, blending modes, typography, image manipulation) are most effective for cosmetic advertising on Facebook? 2. How do cultural and aesthetic preferences of consumers in Phnom Penh influence the effectiveness of these poster designs? 3. What is the measurable impact (engagement, conversion rates) of these designed posters compared to generic designs?			
26	56683	SAUM TAM	M	**The Benefits of Students Using Digital Marketing for Selling in Phnom Penh** 1. How does the use of digital marketing for selling affect a student's financial autonomy? 2. What specific "hard" and "soft" skills are gained through digital selling that traditional classrooms don't provide? 3. How does digital entrepreneurship in Phnom Penh influence a student's future employability?			
27	56243	SO SOT	M	**The Effectiveness of Visual Design for Digital Advertising Students in Phnom Penh** 1. What specific design elements (color, typography, layout) drive the highest engagement among Phnom Penh's Gen Z and Millennial audiences? 2. How does the use of Khmer Typography vs. Latin fonts affect brand trust and readability? 3. What is the "sweet spot" between visual complexity (lots of info) and minimalism in local advertising?			
28	55646	SOEUN MAKARA	M	**The Effectiveness of Storytelling on Social Media Videos in Phnom Penh** 1. Which narrative structures (e.g., "The Hero's Journey" vs. "The Slice of Life") generate the highest retention rates among Phnom Penh users? 2. How does the use of Khmer humor and relatability moderate the relationship between storytelling and brand trust? 3. To what extent does "Lo-Fi" (unpolished/authentic) storytelling outperform high-production cinematic storytelling in the local market?			
29	55725	SOUN VISAL	M	**Promoting Domestic Tourism in Phnom Penh** 1. What are the current perceptions of Phnom Penh as a leisure destination among Cambodian residents? 2. How does "Modernity" (malls, skyscrapers) vs. "Tradition" (temples, history) influence the decision to visit the capital? 3. What role do digital influencers play in making Phnom Penh "trendy" for local weekend trips?			

30	55620	VEUN VEAN	M	**Promotion Posters on Graphic Design for Social Media Online in Phnom Penh** 1. What visual elements resonate most with Phnom Penh's online users? 2. How do cultural codes influence poster perception? 3. In what ways can motion graphics, posters, or banners be used in marketing campaigns to increase conversion rates?	3	**Mr. KHATH YOEUN** **Tel: 098 682 186**	
31	56226	VIBOL BUNHENG	M	**The Role of Social Media in Supporting E-Learning and Online Education in Phnom Penh** 1. How do students and teachers in Cambodia utilize social media platforms for academic purposes? 2. What is the correlation between social media engagement and student learning outcomes? 3. What are the primary barriers (technical, social, or psychological) to effective e-learning via these platforms?			
32	56462	VIBOL OUTDOM	M	**The Impact of Short Video Editing Techniques on Food Marketing Effectiveness on TikTok** 1. How do specific visual editing techniques (e.g., jump cuts, speed ramping) influence viewer engagement? 2. What role does auditory editing (e.g., ASMR, trending audio) play in the perceived "appetite appeal" of a product? 3. Does "over-editing" lead to a loss of perceived authenticity in food marketing?			
33	56411	YEURN RATHANAK	M	**The Impact of AI-Driven Video Editing on Consumer Engagement and Conversion Rates in TikTok Product Promotion** 1. What extent does AI-powered synchronization and visual optimization contribute to the "stickiness" (retention rate) of short-form promotional content? 2. How does the democratization of AI editing tools affect the competitive advantage of Small and Medium Enterprises (SMEs) in the TikTok advertising ecosystem? 3. What are the most effective strategic placements for AI-generated content within the TikTok marketing funnel (e.g., TopView ads vs. Organic FYP vs. TikTok Shop)?			
34	56054	YOU SAMNANG	M	**The Benefits of Using Artificial Intelligence as a Learning Tool for Computer Multimedia Design Students in IT Majors** 1. What are the benefits of using AI for improving creativity and idea generation in multimedia projects? 2. How does AI help students learn faster and work more efficiently in design-related tasks? 3. What role will AI play in the future learning environment of Computer Multimedia Design students?	4	**Mr. PRUM VANNARITH** **Tel: 096 233 3722**	
35	58076	BE KEABIN	M	**The Effectiveness of Promotional Videos in Enhancing Brand Awareness** of BELTEI International University 1. What specific features help students gain knowledge from your video broadcasts? 2. How do your instructional video broadcasts help improve learning outcomes? 3. How do students evaluate the usability and the level of support for learning?			
36	55976	CHAMROEUN SILON	M	**Adobe Photoshop in Modern Graphic Design in Digital Marketing** 1. Why Adobe Photoshop in digital marketing 2. Why is Adobe Photoshop important in modern graphic design? 3. What is Adobe Photoshop and Brand Identity Development?			

37	57121	CHEM SEANGMAI	M	**Design and Development of an Educational Video Editing Tool for BELTEI International University's Students** 1. What features help students learn video editing more effectively? 2. How does guided editing improve learning outcomes? 3. How do students evaluate usability and learning support?	4	**Mr. PRUM VANNARITH** **Tel: 096 233 3726**	
38	56365	CHHOR SITHA	M	**Improving User Experience of a Smart Attendance System Using UX/UI Design Principles** 1. What usability and user experience issues do users face when using the current smart attendance system 2. How does the current UX/UI design of the smart attendance system affect user satisfaction and efficiency? 3. Does applying UX/UI design principles improve the usability and user satisfaction of the smart attendance system?			
39	57427	HEAK SO	M	**Using Multimedia Design to Promote the Ministry of Cult and Religion** 1. How can multimedia design be used to effectively communicate the mission and values of the Ministry of Cult and Religion to the public? 2. What types of multimedia content are most effective for promoting cultural and religious activities supported by the Ministry of Cult and Religion? 3. Why is multimedia design important for increasing public awareness and engagement with the Ministry of Cult and Religion programs and events?			
40	57111	HOME BOVAN	M	**Using Multimedia Design to Promote Preah Suramarit Buddhist High School** 1. What are the importance of Buddhist schools for Cambodian society? 2. How can modern design help promote the value of Buddhist schools? 3. Why is it necessary to use Multimedia Design in Buddhist education today?			
41	58258	JOHN JAME	M	**Digital Marketing as a Tool for Brand Promotion in Retail Marts** 1. What is Digital Marketing, and what roles does it play in promoting brand awareness in retail marts? 2. How does the use of Digital Marketing influence customers' brand awareness in retail marts? 3. Why should retail marts use Digital Marketing as an important tool for brand promotion?			
42	53245	KHIN SAMBATH	M	**Adobe Premiere Pro in Modern Graphic Design in Digital Marketing** 1. Why Adobe Premiere Pro in digital marketing 2. Why is Adobe Premiere Pro important in modern graphic design? 3. What is Adobe Premiere Pro and Brand Identity Development?			
43	56617	LAO VACHHAY	M	**Adobe After Effects Is Important for Branding and Marketing** 1. How does Adobe After Effects help businesses create strong brand identity through motion graphics? 2. Why is Adobe After Effects an effective tool for marketing campaigns in the digital age? 3. In what ways do animations and visual effects made with After Effects influence customer attention and brand recognition?			

44	55681	LIM VANDA	M	**The Impact of Professional Video Editing on Business Marketing Effectiveness** 1. How does professional video editing influence customer interest and decision-making for online businesses? 2. What specific editing techniques (e.g., pacing, storytelling, and visual hooks) make a promotional video more effective in engaging audiences? 3. Why should business owners invest in professional video editing to increase their social media engagement and sales?	4	**Mr. PRUM VANNARITH** **Tel: 096 233 3732**	
45	56386	LOEURN LOY	F	**The Use of CapCut for Product Review Videos in Social Media Marketing in Phnom Penh** 1. Why do content creators and businesses in Phnom Penh choose CapCut as a creative editing tool for product review videos? 2. Why are product review videos important for social media marketing in Phnom Penh? 3. What creative features of CapCut are most frequently used in product review videos?	5	**Mr. HOEURN CHHATY** **Tel: 069 439 084**	
46	56138	LY CHANTHA	F	**The Role of Content Creators in Optimizing Conversion Rates through Digital Marketing Strategies** 1. Which content formats yield the highest engagement on e-commerce platforms? 2. How do psychological triggers in content influence buyer purchasing decisions? 3. What is the direct correlation between quality content and increased conversion rates (CR)?			
47	55586	MEAN THAVRITH	F	**Designing a User-Centered Interactive Online Shop for Creative Products** 1. What design factors influence user interaction in creative product online shops? 2. How can graphic design improve emotional engagement with products? 3. How effective is the interactive design in supporting user decisions?			
48	56397	MENG KIMCHHAY	M	**Interactive Graphic Design to Enhance User Experience in Online Shops** 1. What interactive graphic design elements can improve user engagement in online shops? 2. How does interactive design affect customer satisfaction and usability? 3. How does interactive visual design influence customers' purchase decisions?			
49	55754	MOEUN KANHA	F	**The Role of Multimedia Design in Enhancing User Experience (UX) in Digital Products** 1. How does multimedia design (images, video, animation, and sound) influence user engagement and usability in digital products? 2. What design principles ensure multimedia elements enhance UX without causing cognitive overload? 3. How can multimedia design be optimized across different devices and platforms, such as mobile, desktop, and social media applications?			
50	54332	MUT SEYMA	M	**Designing a User-Centered Interactive Online Shop for Creative Products** 1. What design factors influence user interaction in creative product online shops? 2. How can graphic design improve emotional engagement with products? 3. How effective is the interactive design in supporting user decisions?			

51	57294	MUTH SOPHEAKTRA	M	**Enhancing User Interaction in an Online Shop Through Graphic Design Principles** 1. What graphic design issues reduce user interaction in existing online shops? 2. How can graphic design principles improve user engagement and interaction? 3. How effective are interactive design improvements in enhancing user experience?	5	**Mr. HOEURN CHHATY** **Tel: 069 439 084**	
52	54732	NAN SOTIVEA	M	**The Role of Color Psychology in Brand Identity Design** 1. What is the role of color in brand identity design? 2. Why do colors affect how people feel about a brand? 3. How does color choice influence brand recognition?			
53	56420	NOP HENGCHOMNITH	M	**The Role of Interactive Graphic Design in Building Brand Identity for Online Shops** 1. How does interactive graphic design influence users' perception of an online shop's brand identity? 2. Which interactive visual elements (animations, micro-interactions, UI graphics) most affect user engagement? 3. How can interactive branding improve brand recognition and trust in online shopping platforms?			
54	52632	NOY RATHANAK	M	**Improving Product Presentation in Online Shops Through Interactive Graphic Design** 1. What graphic design limitations affect product presentation in online shops? 2. How can interactive visual design enhance product understanding? 3. Does interactive product presentation improve user engagement?			
55	56314	PHAL SOKMEAN	F	**The Impact of Short-Form Video Platforms on Youth Behavior (TikTok, Reels, Shorts)** 1. How do short-form video platforms influence the behavior and lifestyle of young people today? 2. What are the positive and negative effects of consuming short-form videos every day? 3. How can young users use short-form video platforms responsibly and safely?			
56	56377	PHEAN NADANICH	F	**The Advantages and Disadvantages of Using Social Media for Communication among BELTEI International University Students** 1. What are the advantages of using social media for communication among university students? 2. How does social media support communication at BELTEI International University? 3. What issues can arise from university students using social media for communication?	6	**Mr. SAREOUN PITOU** **Tel: 088 971 3118**	
57	56940	PHORN CHHONLEANG	M	**The Effectiveness of Using Social Media to Challenge the Spread of Fake News** 1. What are the negative impacts of creating fake news on society? 2. Why do Cambodian society tend to believe fake news more than real news? 3. How can fake news be reduced or prevented as part of multimedia usage?			
58	58371	PICH SOVANCHANMARA	M	N/A			
59	56958	PRAK SANOUSSA	M	**The Effectiveness of Making Money Online with Social Media Platforms** 1.How does social media create income opportunities for individuals and small businesses? 2.What role does audience engagement play in increasing revenue on social media platforms? 3.How has the growth of social media platforms changed traditional methods of earning income?			

60	58112	ROTH SOPHEAKNEATH	M	**The Effectiveness of Producing Short Video Clip Content to Promote BELTEI International University in Social Media Marketing** 1. How does short-form video content influence audience engagement on social media platforms? 2. What videography elements (editing, duration, music, visuals) contribute to the effectiveness of short-form videos? 3. Why do audiences prefer short-form video content over long-form videos on social media?	6	**Mr. SAREOUN PITOU** **Tel: 088 971 3124**	
61	55687	SONG SOMOL	M	**Digital Marketing and Multimedia Strategies for Small Businesses** 1. What digital marketing platforms are commonly used by small businesses? 2. How do small businesses in utilize multimedia content in their digital marketing efforts? 3. What are the perceived benefits and challenges of using digital marketing and multimedia among these businesses?			
62	56675	SOTH SOKEANG	M	**The Importance of Motion Graphic Design in Digital Business** 1. How does motion graphic design help digital businesses attract and retain customers? 2. In what ways can good motion graphic design improve a company's brand image? 3. Why is consistent motion graphic design important for digital business success?			
63	57690	SREAN SROUY	M	**The Use of Graphic Design, Photography, and Video Editing in Social Media Promotion** 1. What roles do graphic design, photography, and video editing play in social media promotion? 2. Which type of multimedia content (graphic, photo, or video) attracts the most audience engagement? 3. How does multimedia content influence audience engagement on social media platforms?			
64	57013	SREANG VISLY	M	**The Opportunities and Challenges for Designers of Using Artificial Intelligence in Graphic Design Skills** 1. What benefits does AI provide to the design process? 2. What challenges and risks arise from using AI in graphic design? 3. How does AI impact creativity and the professional practice of designers?			
65	58253	SRUN YONGJE	M	**Producing Interactive Multimedia Video Content to Promote Tourism at the Royal Palace in Phnom Penh** 1. How can interactive multimedia enhance interest and understanding of tourism in Phnom Penh? 2. Which multimedia elements (images, videos, animations, and interactions) are most effective in attracting tourists? 3. What are users' perceptions of the usability and attractiveness of the designed interactive multimedia?			
66	57868	TEN THAVVIREAK	M	**The Importance of Graphic Design to Generate Sales for Online Service Providers** 1. What role does graphic design play in building trust and credibility in online businesses? 2. In what ways can poor graphic design negatively impact sales and user engagement? 3. What are some successful case studies where improved graphic design led to increased sales?			
67	57393	TENG NIRORTH	M	**The Effectiveness of Motion Graphics in Social Media Advertising** 1. Do motion graphics increase viewer engagement? 2. How do animations affect message retention? 3. Which motion styles work best for short ads?	7	**Mr. MAO SAPHAT** **Tel: 070 228 883**	

68	56096	TEP SOPHAL	M	**AI-Powered Multimedia Campaigns for Promoting Higher Education: A Case Study of BELTEI International University** 1. What AI tools can be used to develop multimedia promotional campigns for higher education? 2. How do AI-powered multimedia campaigns affect student engagement and awareness? 3. How can BELTEI Interntional University improve its marketing strategy using AI-powerd tools?	7	**Mr. MAO SAPHAT** **Tel: 070 228 883**	
69	57707	THEN DARAT	M	**Motion Graphics Design for Social Media Content** 1. What is Motion Graphics Design, and why is it important for social media content marketing? 2. Why is typography important in motion graphics for social media? 3. What challenges do designers face when creating motion graphics for social media content?			
70	58318	THY SOTHAT	M	**Studying the Evaluation of Innovation in Major Computer Multimedia Design at BELTEI International University** 1. Why this major is not requiring the mathematic knowledge? 2. What are the learning outcome can this major do? 3. What are the consequences when studying this profession?			
71	56285	UYCHATH MISIL	M	**Creating an Effective Social Media Campaign for Problem, Scope, and Limitation: Mobile Phone Service Center** 1. How can Problem, Scope, Limitation Mobile Phone Service Center use graphic design aspects like color, typgaphy, imagery, and layout to makea a strong and consistent brand on social media? 2. What types of social media are most efficient at driving traffic to Problem, Scope, Limitation Mobile Phone Service Center? 3. How can a successful social media campaign boost Problem, Scope, Limitation Mobile Phone Service Center customers'undersftanding and confidence?			
72	57915	BUT SREYMAO	F	**Design and Evaluation of a Color Contrast Checker for Khmer Graphic Design** 1. What are the common color contrast issues in Khmer graphic design? 2. How does color contrast affect the readability of Khmer text? 3. How effective is the proposed color contrast checker in improving design accessibility?			
73	58261	CHHOEUN SIVVOEUY	M	**Advantages and Disadvantages of Using AI Technology in Modern Graphic Design** 1. What advantages does AI technology offer that help improve efficiency and creativity in modern Graphic Design? 2. What disadvantages or issues can arise from the use of AI in Graphic Design, such as originality, copyright, and ethical concerns? 3. Can AI replace human creativity in modern Graphic Design? Why or why not?			
74	55868	CHOK VICHIT	M	**The Role of Graphic Design in Film and Media Promotion** 1. How do movie posters influence audience interest? 2. What design elements communicate film themes? 3. How does typography affect audience perception?			
75	55968	DEK CHHARO	M	**Building a Custom Graphic Design Using Adobe Photoshop** 1. What Photoshop tools and techniques are most useful for creating custom graphic designs? 2. How can design principles be applied effectively using Photoshop? 3. What is the step-by-step process for building a custom graphic design from concept to final output?			

76	58331	HEAR TONG	M	**The Impact of Social Media on Youth Behavior in Multimedia Students at BELTEI International University Campus 1** 1. What are the positive impacts of social media on their behavior and academic life? 2. What are the negative effects on academic performance and emotional well-being? 3. How does social media influence students' creativity and professional skill development?	7	**Mr. MAO SAPHAT** **Tel: 070 228 883**	
77	56399	HENG LEANGSRENG	M	**Design and Effectiveness of Educational Posters for Students** 1. How can educational poster design help students understand information more easily? 2. What design elements (color, typography, images, layout) are most effective in educational posters for students? 3. How do students respond to educational posters in terms of interest and understanding?			
78	57985	HONG CHINH	F	**Advantage of Using Graphic Design for Designer Skills** 1. What are the advantages of graphic design in designing images for promoting products on social media? 2. How can graphic designers use AI to help graphic designers? 3. How does Color Theory affect the viewer's emotions?	8	**Mr. OEM CHANTHORN** **Tel: 077 777 053**	
79	57381	KHEANG PUTHEA	M	**Effectiveness of Using Color Psychology in Graphic Design** 1. How do colors trigger specific human emotions? 2. Why does color choice define a brand's identity? 3. Which colors drive users to take immediate action?			
80	55821	KHLY PANHA	M	**A Study on Designing an Attractive User Interface for Mobile Applications by Using Figma** 1. What are the key elements that a mobile application UI attractive? 2. How does an attractive UI influence user satisfaction and engagement 3. Which design principles or patterns are most effective in creating an appealing UI for mobile App?			
81	55803	KHOUN SEYHA	M	**Impact of Artificial Intelligence and Automation on Graphic Design in Social Media Marketing** 1. How has artificial intelligence influenced graphic design practices in social media marketing promotion? 2. In what ways does AI improve efficiency and creativity in designing social media marketing content? 3. What AI-powered tools are commonly used in graphic design for social media marketing?			
82	56978	KHUN PHEANUT	M	**Role of Graphic Design in Social Media Marketing for Small Businesses** 1. How does graphic design help small businesses attract customers on social media? 2. What types of graphic design content are most effective for social media marketing? 3. How does good graphic design influence customer engagement and sales for small businesses?

What is the impact of digital posters that incorporate Khmer cultural motifs and contemporary design on users' memory and heritage awareness? 3. How do users perceive and respond to digital posters for heritage promotion that combine contemporary design with Khmer cultural ?			
164	55764	WU JINHUA	M	**Cultural Symbols Can Be Adapted into Modern Digital Brand Identities for Youth Brands** 1. How do Cambodian youth interpret and emotionally respond to digital brand identities that incorporate traditional Khmer patterns and motifs compared to purely modern, non-cultural designs? 2. What role do Khmer cultural symbols play in shaping the perceived uniqueness and memorability of youth-oriented digital brands in Cambodia's competitive market? 3. In what ways can digital platforms (social media, mobile apps, websites) be designed to dynamically integrate Khmer motifs while maintaining a clean, contemporary aesthetic that appeals to young urban consumers?
