FACULTY OF INFORMATION TECHNOLOGYAND SCIENCE
Bachelor of Information Technology and Science in Computer Multimedia Design (BIT-CMD)
National Program (Batch VI, 1st Intake)
LIST OF SUPERVISORS AND SUPERVISEES

№	ID	NAME IN LATIN	SEX	RESEARCH TOPIC AND QUESTIONS	GROUP	SUPERVISOR	OTHERS
1	57038	ART SOKNY	M	**Visual Communication Design for Improving Information Delivery at Universities** 1. How does visual communication design affect information understanding? 2. Which visual elements enhance clarity and attention? 3. How do students perceive current information design at universities?	1	Mr. KHATH RATH Tel: 096 571 1114	
2	55739	ARTH CHANTHEA	M	**Graphic Design for College Students Has Become Increasingly Important With the Growth of Digital Media and Visual-Based Communication** 1. Why is graphic design an important skill for college students in the digital media era? 2. How does learning graphic design help college students communicate more effectively through visual media? 3. What role does digital media play in increasing the demand for graphic design skills among college students?			
3	56700	CHAN CHIVORN	M	**The Role of Color in Designing Digital Posters for Awareness Campaigns** 1. How does color choice influence viewer attention and awareness in digital posters? 2. Which color combinations improve message clarity and readability? 3. How do students emotionally respond to different color schemes in awareness campaigns?			
4	57059	CHANTHON LEAKNA	F	**The Impact of Graphic Design on Social Media Marketing** 1. To what extent does color consistency in Instagram feeds correlate with brand recall among Gen Z consumers? 2. How has the shift from static images to motion graphics influenced conversion rates in Paid Social Ads? 3. Does minimalist design perform better than maximalist design in the context of high-involvement purchase decisions ?			

5	56270	CHHUM VEASNA	M	**A Study of Conceptual Design Techniques Using CorelDRAW** 1. What conceptual design techniques are commonly used by designers while working in CorelDRAW? 2. Which tools and features of CorelDRAW are most effective for developing conceptual designs? 3. How does CorelDRAW influence creativity and idea visualization during the conceptual design stage?	1	**Mr. KHATH RATH** **Tel: 096 571 1118**	
6	56368	DET DAVID	M	**Poster Design Strategies for Promoting University Events to Students** 1. What poster design strategies attract university students' attention? 2. How do visual elements influence students' perception of event posters? 3. Which poster designs are most effective in encouraging student participation?			
7	55737	DOK SOKHORN	M	**The Role of Adobe Photoshop in Creating Effective Poster Design** 1. What role does Adobe Photoshop play in poster creation? 2. How do Photoshop features support visual composition in posters? 3. Which design elements are enhanced through Photoshop tools?			
8	57392	EATH SOPEARA	M	**An Empirical Investigation Into Color Management Workflows And Technical At ABA Bookshop And Printing Company** 1. To what extent do the current color deviations at ABA Printing exceed the industry-standard threshold of \Delta E (Delta E) during a standard production run? 2. What are the primary technical bottlenecks in the existing prepress workflow that contribute to color inconsistency between client-submitted files and final printed output? 3. How does the absence of standardized ICC Profile synchronization across design workstations and the Raster Image Processor (RIP) affect color predictability?			
9	57385	ET AMMARA	F	**Creating a UX (User Experience) Framework for Mobile Banking Apps Specifically Designed for Older Cambodian Adults or Users With Low Digital Literacy** 1. How do Khmer script density and layout affect the scanning patterns of older users? 2. Does the inclusion of a "Human Support" shortcut increase the perceived security of the app? 3. Can audio-visual guidance significantly reduce the error rate for users with less than a 6th-grade education?			

10	56241	IENG SITHUL	M	**Using Adobe Photoshop Applications to Enhance Efficiency in Poster Design for CMD Students** 1. How does the implementation of non-destructive editing techniques in Adobe Photoshop influence the frequency and quality of design iterations among CMD students? 2. To what extent do Generative AI tools (Generative Fill/Expand) within Adobe Photoshop enhance production speed without compromising the original visual identity of student poster designs? 3. How efficient are Adobe Creative Cloud Libraries in streamlining the transition from asset creation to final poster layout for multi-platform design projects?	1	**Mr. KHATH RATH** **Tel: 096 571 1123**	
11	57120	KEA VORLEAK	F	**Design Principles and the Use of Color in Design** 1. How does the use of color affect audience perception, emotion, and attention in design? 2. How do designers apply color theory to enhance readability, usability, and aesthetic appeal? 3. What challenges do designers face when combining design principles with color choices across media?			
12	55667	KIM CHEN	M	**The Impact Of Using Technology For University Students** 1. What is the impact of using technology for university students? 2. What is the design of promotional posters for social media platforms 3. What is Graphic Content Design for Social Media Marketing?	2	**Mr. HEM CHANDARA** **Tel: 015 466 657**	
13	56319	LIM SREYMEY	F	**The Impact of Graphic Design on Consumer Decision-Making** 1. How does design affect first impressions? 2. Which design elements influence buying decisions most? 3. How does design build trust and encourage purchases?			
14	55944	MAKRA SOMPHOBPANHA	F	**The Role of Graphic Design in Digital Media and Marketing** 1. What is graphic design and why is it important in digital media and marketing? 2. How does graphic design help brands communicate their messages effectively? 3. What role does graphic design play in building brand identity online?			
15	56139	MEAS MINHYU	M	**Marketing Through Content Creation with Influencers for Marketing Promote** 1. How can collaborating with local influencers increase brand visibility and trust for our products or services? 2. What type of content (e.g., reviews, tutorials, behind-the-scenes, giveaways) is most effective when working with influencers to promote our brand? 3. How do we measure the success of influencer-driven content marketing campaigns?			

16	55580	MERK MAI	M	**The Impact Of Short-Form Video Design On Social Media Engagement And Brand Recognition** 1. How does short-form video design influence user engagement on social media? 2. Which design elements (color, motion, typography, editing style) most affect brand recognition? 3. How do short-form videos contribute to building a strong brand identity?	2	**Mr. HEM CHANDARA** **Tel: 015 466 661**	
17	57588	MOM CHOMNAN	F	**The Effect of Meme-Based Visual Content on Digital Marketing Communication** 1. What is meme-based visual content, and why is it popular in digital marketing communication? 2. How does meme-based visual content improve audience engagement in digital marketing? 3. What challenges or risks do marketers face when using meme-based visual content in digital marketing communication?			
18	57443	NGET KHIM	M	**Using Mobile Photography and Video to Create Engaging Multimedia Content** 1. How does mobile photography and video influence audience engagement in multimedia content? 2. What mobile photography and video techniques are most effective in creating engaging multimedia content? 3. How do audiences perceive the quality and credibility of multimedia content created using mobile devices?			
19	57234	NOB PANHA	M	**The Impact of Minimalist Design on Branding** 1. Why do world-famous brands (like Apple or Nike) choose a minimalist style for their logo design? 2. How important is the use of "White Space" in drawing the viewer's eye to the main point? 3. Can a design that is too simple lose the identity or creativity of a brand?			
20	57440	NOU CHANNY	M	**The Influence of Social Media Medium Design on University Student Communication** 1. What features of a web-based platform are most effective in increasing IT student engagement? 2. How does the design of interactive elements (quizzes, forums, progress tracking) affect student participation? 3. To what extent does the proposed platform improve learning outcomes compared to existing tools?			
21	55943	OL SREYLEAP	F	**The Role of Color Psychology in Advertising Design** 1. Why is choosing the right colors important for attracting attention in advertising? 2. How is color usage important in shaping brand perception? 3. Why is understanding color differences across industries important in advertising design?			

22	57514	PHON LIHOUR	M	**Improving User Interface Design and Efficiency Using Graphic Design and Animation Techniques** 1. How does functional animation accelerate user task completion? 2. In what ways do motion based cues clarify interface hierarchy? 3. Does animated feedback significantly reduce user input errors?	3	**Mr. KANN RANGSEY** **Tel: 081 629 928**	
23	56301	PREUNG PISETH	M	**Marketing Through Content Creation with Influencers for Marketing Promote** 1. How can collaborating with local influencers increase brand visibility and trust for our products or services? 2. What type of content (e.g., reviews, tutorials, behind-the-scenes, giveaways) is most effective when working with influencers to promote our brand? 3. How do we measure the success of influencer-driven content marketing campaigns?			
24	55782	RON PHAN	M	**Exploring the Use of Motion Graphics in Social Media Marketing** 1. How do motion graphics affect user engagement metrics on social media platforms? 2. The Role of Motion Graphics in Brand Recall and Recognition? 3. In what ways do motion graphics influence consumer emotions and subsequent purchasing on social media?			
25	56902	SAM SERIRATANAK	M	**Role of Graphic Design in Enhancing Video Storytelling** 1.How does graphic design contribute to narrative clarity and emotional impact in video storytelling? 2.What visual design elements (typography, motion graphics, color theory) most effectively support storytelling? 3.How do professional video editors integrate graphic design principles into storytelling workflows?			
26	55650	SAN PHEAKRA	M	**Artificial Intelligence in Social Media & Emerging Markets** 1. What benefits can artificial intelligence provide in today's society? 2. What challenges do businesses in emerging markets face when adopting AI-driven social media tools? 3. Artificial intelligence is on the rise, what are the implications for human work?			
27	57567	SAO SOENG	M	**Importance of Graphic Design to Generate Sales for Online Service Providers** 1. In what ways can poor graphic design negatively impact sales and user engagement? 2. What role does graphic design play in building trust and credibility in online businesses? 3. What are some successful case studies where improved graphic design directly led to increased sales or engagement?			

28	57342	CHEAN SREYLEAK	F	**Animation and Motion Graphics** 1. What is the difference between Animation and Motion Graphics? 2. In which fields is Animation used? 3. What software is used to create Animation?	3	**Mr. KANN RANGSEY** **Tel: 081 629 934**	
29	58274	HIM PHEAROTH	M	**Importance of Graphic Design to Generate Sales for Online Service Providers** 1. In what ways can poor graphic design negatively impact sales and user engagement? 2. What role does graphic design play in building trust and credibility in online businesses? 3. What are some successful case studies where improved graphic design directly led to increased sales or engagement?			
30	57784	KEO CHANSOKPANHA	M	**Design and Development of a 2D Game Using Adobe Animate** 1. How can Adobe Animate be effectively used to design and develop an interactive 2D game with engaging animation and smooth gameplay? 2. What are the key challenges in designing user-friendly interfaces and animations for 2D games using Adobe Animate, and how can they be addressed? 3. How does the use of Adobe Animate impact the development workflow and performance of 2D web-based games compared to other game development tools?			
31	56388	KHEAV SENGHAK	F	**Important Roles of Graphic Design in Multimedia** 1. What role does Graphic Design play in Multimedia Design? 2. How do Color, Typography, and Layout help create a design? 3. What software is commonly used in Graphic Design?			
32	58087	KONG KIMHOUR	M	**Improving User Interface Design and Efficiency Using Graphic Design and Animation Techniques** 1. How does functional animation accelerate user task completion? 2. In what ways do motion based cues clarify interface hierarchy? 3. Does animated feedback significantly reduce user input errors?			
34	56703	LEANG PISEY	M	**Branding Guide Creative & Marketing Strategy** 1. What key elements of a branding guide most effectively support brand identity, audience recognition, and marketing performance? 2. How can a branding guide be strategically developed to align creative design decisions with marketing objectives and target audience expectations? 3. How does a well-defined branding guide influence creative direction and marketing strategy consistency across digital platforms?	4	**Mr. MOK KOMPHEAK** **Tel: 012 732 357**	

35	57931	LENG PANHA	M	**Design and Technology Creation and Digital Engineering Technology** 1. What is Technology Creation? 2. What is Digital Engineering Technology? 3. Why are Technology Creation and Digital Engineering Technology important in the digital era?	4	**Mr. MOK KOMPHEAK Tel: 012 732 358**	
36	56111	MOM PONHAKVATEI	F	**Significant Role of Graphic Design in Digital Marketing** 1. How does graphic design contribute to building and maintaining a strong brand identity in digital marketing? 2. In what ways does graphic design influence user engagement and behavior on digital platforms? 3. How can effective graphic design enhance the communication of marketing messages in digital campaigns?			
37	58282	OEUR PANHA	M	**Using Adobe Photoshop for Social Media Advertising at Beltei International University** 1. What common challenges do students face when creating social media content using Adobe Photoshop? 2. How can Adobe Photoshop techniques improve the effectiveness of social media advertising for Beltei International University? 3. How satisfied are students with the results of their social media content after applying Adobe Photoshop techniques?			
38	56220	PEN APHIREAK	M	**UI/UX Design of a Student Management Mobile Application** 1. What usability problems do students face when using existing student management mobile applications? 2. How can user-centered UI/UX design principles improve the usability and user experience of a student management mobile application? 3. How satisfied are students with the proposed UI/UX design based on usability testing results?			
39	56907	SAL VANNSAT	M	**Impact of Eco-Friendly Visual Identity and Green Packaging Design on Shifting Consumer Behavior** 1. What are the key factors of current plastic packaging in Cambodia that contribute to environmental issues, and what are the visual design weaknesses of existing eco-friendly alternatives? 2. How can the design of brand identity and green packaging (for lunch boxes, cups, and cutlery) be developed to ensure both functionality and aesthetic appeal for Cambodian consumers? 3. How does eco-friendly visual identity and green packaging design influence Cambodian consumers' awareness, attitudes, and purchasing behavior toward sustainable products?			

40	56128	SAM SANTI	M	**UI/UX Design for a Mobile App to Facilitate Learning for Students in Rural Areas** 1. How can UI/UX design in a mobile e-learning app improve accessibility and learning effectiveness for students in rural areas? 2. What UI/UX features are most important for supporting students in rural areas with limited internet access and digital literacy? 3. Why does user-centered UI/UX design play a crucial role in increasing engagement and learning outcomes for rural students using e-learning apps?	4	**Mr. MOK KOMPHEAK Tel: 012 732 363**	
41	57297	SAMBATH VISAL	M	**Creating Motion Graphic Videos for Product Promotion** 1. What is the important role of Motion Graphic Video in attracting customers to a product? 2. What elements should be included in a Motion Graphic Video to make advertising effective? 3. How do animation, sound, and color influence viewers' emotions and purchasing decisions?			
42	58043	SAN SO PHEAKTRA	F	**Effectiveness of video content in online platforms** 1. Does video content drive more engagement than other formats? 2. How do platform algorithms favor video? 3. What metrics best measure video's true business impact?			
43	57459	SAO CHANMAKARA	M	**Using UI/UX design for creating an app to create a multi-modal travel and transportation booking system** 1. How can UI/UX design for a travel and transportation booking app be attractive, effective, and user-friendly? 2. Why is user-centered UI/UX design important for apps that attract customers to use the app? 3. What UI/UX features are most important for making customers feel confident and happy when using the app?			
44	57892	SARIN KHEMEARARITH	M	**Graphic Design & Branding** 1. How does visual identity design contribute to brand recognition and memorability among consumers? 2. What logo design principles are most effective for helping small businesses build a strong brand identity? 3. How does color psychology influence consumer perception, emotions, and decision-making in graphic design?	5	**Mr. HOUT THAI Tel: 012 437 039**	
45	55812	SEAN SOSETHA	M	**The Use of Minimalist Design in Modern Advertising** 1. What is minimalist design? 2. Why do many brands use simple and clean designs? 3. Does simple design attract more attention than complex design?			

46	57412	SEREY THAILIK	M	**The Role of Graphic Design in Education** 1. How does graphic design improve students' understanding of educational content? 2. What types of graphic design elements (colors, images, layout, typography) are most effective in learning materials? 3. How does the use of graphic design affect student engagement and interest in learning?	5	**Mr. HOUT THAI** **Tel: 012 437 041**	
47	57215	SET SREY	M	**The Importance of Poster and Logo Design in Business** 1. What is the purpose of poster and logo design? 2. What are the basic elements of a good poster and logo? 3. How do poster and logo design help attract customers?			
48	56086	SOURNG SOKSIK	M	**Adobe Photoshop Basics in University** 1. What is Adobe Photoshop used for? 2. What are layers in Photoshop, and why are they important? 3. Which tools are commonly used for photo editing in Photoshop?			
49	57201	SUM SOMALA	F	**Basics of Computer Multimedia Design** 1. What is the meaning and purpose of Computer Multimedia Design? 2. What are the main elements that make up Multimedia Design? 3. In which areas of daily life is Computer Multimedia Design applied?			
50	56993	TEAV CHANRA	M	**IT Solutions for Improving E-Commerce Platforms** 1. What are the main technological challenges faced by current e-commerce platforms? 2. Which IT solutions can effectively improve system performance, security, and user experience on e-commerce platforms? 3. How do IT solutions impact customer satisfaction, sales performance, and overall success of e-commerce platforms?			
51	57451	THA VATANAK	M	**Graphic Design & Photography** 1. What is the difference between graphic design and photography? 2. How do graphic design and photography work together in advertising and media? 3. Why are graphic design and photography important in digital content creation?			
52	56577	THO SITHEAN	M	**Commercial Video & Marketing** 1. The Processing of Making Commercial Video. 2. The Effective Of Commercial Video On Social Media To Build a Business. 3. Emotional Appeal in Video Marketing and Consumer Response			

53	58171	THOEUN PHIYANG	M	**Graphic Design as a Tool for Social Media Marketing** 1. How does the use of Visual Hierarchy influence a user's decision to engage with a post within the first 1.5 seconds? 2. To what extent does Color Theory impact consumer sentiment toward a brand on platforms like Instagram and TikTok? 3. Does Consistency in Graphic Elements (templates, fonts, styles) lead to higher levels of brand loyalty compared to experimental, varied designs?	5	**Mr. HOUT THAI** **Tel: 012 437 040**	
54	56641	THOEUN SOVANTHAI	M	**The Influence of Social Media on Graphic Design Trends** 1.How does social media influence graphic design trends? 2.What types of graphic design trends are popular on social media platforms? 3.How do graphic designers adapt their design styles to be suitable for social media?			
55	55614	THOEURN SOKHEN	M	**The Influences of Minimalist Design on Brand Recognition for Local Small Businesses** 1. What aspects of minimalist design most effectively enhance brand recognition for local small businesses? 2. How does the use of minimalist design impact consumers' perceptions and memory of a local small business brand? 3. Why is minimalist design considered an effective strategy for improving brand recognition in small local businesses?	6	**Mr. LIM SEYHA** **Tel: 012 689 353**	
56	56568	THORN SREYPICH	F	**The Effects of Color Psychology in Advertising Design** 1. How do different colors in advertising design influence consumers emotions? 2. What impact does color choice have on consumers purchasing decisons? 3. Which colors are most effective in attracting attention in advertisements?			
57	57308	TO KIMHONG	M	**Media Design and Its Influence on Youth in the Digital Age** 1. How does media design, including graphic design, video, and online content, influence the thinking and behavior of youth in the digital age? 2. What are the positive and negative impacts of digital media design on youth's lifestyle, self-image, and decision-making? 3. How can media design be used responsibly to promote positive values and critical thinking among young people?			
58	57502	TOCH DANY	F	**The Impacts of Graphic Design on Social Media Marketing** 1. How does the visual design of a café's social media content influence the attraction of new customers? 2. What types of images or graphic designs used in a café's social media marketing have an impact on customer engagement and sales? 3. How important is graphic design in creating a café's brand identity and appealing to customers?			

59	57061	UL SOKPHEA	M	**The Influences of Graphic Design on Consumer Perception and Decision-Making in Marketing and Advertising** 1. How does graphic design affect consumer perception of products and brands? 2. What visual strategies are commonly used to influences buying decisions? 3. What can a Graphic Designer do to make the message clear and effective?	6	**Mr. LIM SEYHA** **Tel: 012 689 357**	
60	56321	UN SOVANPANHA	M	**The Effects of Graphic Design on Social Media Engagement** 1. How do different graphic design elements influence user engagement on social media posts? 2. What types of visual design styles generate the highest engagement among users? 3. How does the quality of graphic design influence users' attention and interaction with social media content?			
61	55538	UY VIVOTHSACHARAK	M	**The Influences on Digital Marketing of Designed Posters and Video Editing** 1. How do designed poster and edited videos influence audience attention and engagement in digital marketing campaigns? 2. Which design features in poster and video editing (color, layout, typography, motion graphics and visual effects) most affect marketing effectiveness? 3. How do well-designed poster and professionally edited videos impact brand awareness and customer purchase intention in digital marketing?			
62	56318	VUN LIZA	F	**Benefits and Challenges of Using Artificial Intelligence in High School Education in Phnom Penh** 1. What are the main benefits of using artificial intelligence in high school education in Phnom Penh? 2. What challenges do students and teachers face when using artificial intelligence in high schools in Phnom Penh? 3. How can artificial intelligence be used effectively and responsibly in high school education in Phnom Penh?			
63	55890	YAT ROTHA	M	**Impacts of Generative AI on the Professional Identity of Designers** 1. What changes do designers experience in their roles, skills, and creative autonomy due to generative AI? 2. How does the adoption of generative AI tools influence designers' perceptions of their professional identity? 3. How do designers at different career stages (students, early-career, senior designers) perceive the impact of generative AI on their profession?			

64	56450	YOEUN HONG	M	**Short Videos to Promote Three Lesser-Known Tourist Destinations in Kampot Province** 1. What are the unique features and tourism potential of Monivong Bokor National Park, Maet Prek Natural Area, and Tada Waterfall that make them worth promoting? 2. How can short videos effectively showcase the cultural, natural, and historical values of these three destinations to attract more tourists? 3. How does the use of short videos on social media influence tourists' awareness of and interest in visiting Bokor Mountain, Maet Prek, and Tada?	6	**Mr. LIM SEYHA** **Tel: 012 689 362**	
65	57136	BORAN VANTHONG	F	**Mock-up 3D Design (3D Product Packaging Mockup) at Baby Outlet** 1. How 3D Design important in Multimedia Sector? 2. Why are 3D mockups important in modern product marketing? 3. What benefits will being a leader bring in the future?	7	**Mr. PEN DAVITH** **Tel: 098 716 552**	
66	51895	CHUOB SIMIN	M	**Video Promotion on Social Media in the Digital Era, BELTEI** 1. How does video content on social media influence audience engagement and purchasing decisions in the digital era? 2. What creative and storytelling strategies make promotional videos more effective across different social media platforms (such as TikTok, Instagram, and YouTube)? 3. How do algorithms, trends, and user behavior shape the success of video promotion on social media today?			
67	54370	GY KIMTONG	M	**Motion Graphics and Animation in Modern TVC, BELTEI** 1. How does animation help improve brand recall in advertising? 2. Why are motion graphics widely used in modern TV commercials? 3. How importance of motion graphics in modern TV advertising?			
68	56159	HEM CHANVIREAKBOTH	M	**The Influence of Animation Style on Brand Identity in Television Commercials, BELTEI** 1. Which video features (e.g., humor, influencers, or product demos) are most effective at capturing user attention? 2. How do video reviews from real users versus brand advertisements influence consumer trust? 3. How do interactive tools (like TikTok Shop or Messenger links) speed up the transition from watching to buying?			
69	57257	HONG LIZA	F	**The Role of Graphic Design in Film and Media Promotion of LI KUN Media** 1. How do movie posters influence audience interest? 2. What design elements communicate film themes? 3. How does typography affect audience perception?			

70	56786	IN PECHSOVAN	M	**The Impact of Short-Form Video Marketing on TikTok, Facebook, and Instagram on Consumer Purchase Intentions of ApraTi Foods in Phnom Penh** 1. Which video features (e.g., humor, influencers, or product demos) are most effective at capturing user attention? 2. How do video reviews from real users versus brand advertisements influence consumer trust? 3. How do interactive tools (like TikTok Shop or Messenger links) speed up the transition from watching to buying?	7	**Mr. PEN DAVITH** **Tel: 098 716 557**	
71	56951	KHEAV MANITA	F	**AI and Creativity in Modern Multimedia Design at KOI The Cambodia** 1. How does artificial intelligence influence the creative process of designers in modern multimedia design? 2. What are the benefits and challenges of integrating AI tools into modern multimedia design workflows? 3. How does the use of AI-driven multimedia design impact originality and authorship in creative works?			
72	57640	KHUN SOPHEAKTRA	M	**Consumer Perception of Visual Design in Digital Advertising of MSK Travel** 1. How do Cambodian consumers perceive visual design in digital advertisements? 2. Which visual design elements are most effective in digital advertising? 3. How does visual design influence brand awareness and recall in digital advertising?			
73	57889	LEAN CHHOU ERR	F	**The Strategies and Effectiveness of Video Content Production and Promotion on Social Media Platforms at BELTEI** 1. What strategies do content creators use to produce and promote videos on social media platforms in Cambodia? 2. How effective are these video production and promotion strategies in increasing consumer engagement (likes, comments, shares, views) on social media? 3. What types of video content (e.g., blogs, tutorials, informational videos, entertainment) generate the highest engagement among Cambodian social media users?			
74	56702	LENG SREYPOV	F	**The Role of Motion Graphics in Increasing Digital Advertising Effectiveness at BELTEI TOUR and TRAVEL** 1. How are motion graphics used in digital advertising? 2. How do motion graphics increase audience attention and engagement in digital advertisements? 3. What motion graphic elements contribute to the effectiveness of digital advertising?			

75	55702	LOU HONGCHAY	M	**Minimalist Design Trends in Modern Advertising** 1. Why do audiences respond well to minimal design? 2. Does minimalism improve message clarity? 3. How does it affect engagement on social media?	8	**Mr. CHHEOUNG RANYA** **Tel: 012 223 012**	
76	56975	LOY MENGLY	M	**The Role Of Graphic Design In Enhancing Educational Materials For Children** 1. How does graphic design directly impact a child's ability to focus on and engage with educational content? 2. In what ways can visual elements simplify complex topics for young learners? 3. Beyond aesthetics, how does graphic design contribute to the retention of learned information in children?			
77	56034	LUN SOTHEARITH	F	**The Impact of Visual Branding on Small Business Recognition** 1. How does visual identity influence customer trust? 2. How do visual branding elements? 3. What differences exist in consumer perception and engagement between small businesses employing professionally developed visual branding and those utilizing self-designed or low-budget branding approaches?			
78	56720	MAI SREYNOCH	F	**Design and development of motion graphics to enhance the effectiveness of digital communication** 1 . What design processes are important in creating effective motion graphics? 2. Which motion design principles help make messages clearer? 3. Why do motion graphics improve the clarity and impact of digital communication?			
79	57897	MAO BUNNA	M	**The Integration of Photography, Photo Manipulation, and Video Production in Multimedia Design to Promote Cambodian Tourism** 1. How does photography and photo manipulation improve the visual attractiveness of tourism media? 2. How does video production influence tourists' interest and travel decisions? 3. How effective is the integration of photo and video content in multimedia campaigns for promoting Cambodian tourism?			
80	55994	MEAS DAVIT	M	**The Influence of Meme Culture on Modern Digital Communication** 1. Why do memes spread information quickly? 2. Can memes be used effectively in marketing? 3. What are the risks of using memes for brands?			

81	56890	NHOEK RACHEL	F	**Designing an Educational Game to Improve Learning Motivation** 1. What is an educational game in multimedia design? 2. Why do games increase student motivation in learning? 3. How can multimedia elements support learning outcomes?	8	**Mr. CHHEOUNG RANYA** **Tel: 012 223 018**	
82	56809	NO CHANHENG	F	**Short-Form Video Content and Audience Attention Span** 1. Why is short-form video content more effective at capturing audience attention than long-form content? 2. How does the decreasing attention span of audiences influence the way short-form videos are designed? 3. What strategies can creators use in short-form videos to keep viewers engaged within the first few seconds?			
83	57062	NOUN PENGLEAB	M	**Graphic Design Strategies for Social Media Engagement** 1. What graphic design strategies are most effective in increasing engagement on social media? 2. How do strategic uses of color, typography, imagery, and layout influence user responses on social media? 3. How can well-defined graphic design strategies for social media enhance brand recall and user loyalty?			
84	55740	OL NAMNYSA	F	**Significance Part of Drawing in Design and Emotional Art** 1. What is the significance of drawing? 2. Why does an artist should create emotional arts proper use of drawing? 3. What makes learning how to draw difficult for some people, even if they have artistic talent? Why do some people find it easier than others?			
85	56723	ORM VANNARA	M	**Impact of Color Psychology on Brand Recognition in Logo Design** 1. How does logo color influence the speed and accuracy of brand identification among university students? 2. What extent do students' emotional responses to specific logo colors align with existing color psychology theories? 3. Does the use of color significantly improve the short-term recall of brand logos compared to grayscale versions?	9	**Mr. CHAN SINOY** **Tel: 016 202 016**	
86	56403	PHEAROM RAVIN	M	**Implementation and Management of Online Marketing Communication** 1. What are the main steps in implementing an effective online marketing communication strategy? 2. How can organizations manage and integrate different online marketing communication tools to keep consistent brand messages? 3. What are the main challenges in managing online marketing communication, and how can effectiveness be measured and improved?			

87	56737	RUM PHEARA	M	**Design Strategies for "Visual Hooks" in the First 3 Seconds to Prevent Ad Skipping** 1. What are the primary visual triggers that cause a user to stop scrolling within the first 3 seconds of a multimedia advertisement? 2. How does the psychology of color and motion influence the viewer's cognitive decision to "skip" or "watch" an ad? 3. How can a standardized design framework for 'Visual Hooks' be developed to balance high engagement with brand trust?	9	**Mr. CHAN SINOY** **Tel: 016 202 016**	
88	57281	SEAN LEAKENA	F	**Interactive Motion Graphics for Higher Education at BELTEI International University** 1. How do interactive motion graphics improve student learning outcomes? 2. What tools are best for creating educational interactive motion graphics? 3. How does user interaction affect attention and understanding?			
89	56530	SEAT VISOTH	M	**Effect of Gamification in Multimedia Learning System** 1. How does gamification affect student engagement in multimedia learning systems? 2. How does gamification improve learning performance and knowledge retention? 3. What gamification elements are most effective in multimedia learning systems?			
90	57378	SOEURN LINA	F	**Impact of Motion Graphics in Video Advertising on Audience Engagement** 1. How do Motion Graphics influence audience attention in video advertising? 2. How do Motion Graphics affect audience engagement (likes, shares, comments, and recall) in video advertising? 3. Which elements of Motion Graphics most influence audience engagement?			
91	56550	THAL CHANTHEA	M	**Roles of Color Grading in Digital Photography** 1. How does color grading influence audience emotion and perception in digital photography? 2. What role does color grading play in enhancing mood and visual storytelling in digital photographs? 3. How do different color grading styles affect the overall aesthetic quality of digital photography?			
92	56771	THIM SOTHIDA	F	**Role of Visual Metaphor in Minimalist Branding and Consumer Trust** 1. Does simple design make a brand look more trustworthy? 2. Does moving text help people remember information better? 3. Do game like features in apps make users use them more often?			

93	56642	THOEM THIMLILY	F	**Impact of Social Media on Product Promotion** 1. What roles does social media play, and how important is it in product promotion in modern business? 2. How do different social media platforms (such as Facebook, Instagram, and TikTok) differ in terms of effectiveness in product promotion? 3.
